Subject: Handling of vessel loading export sugar

Dear Sirs,

It is reported that monsoon has already touched Kerala coast and likely to touch South Gujarat by 3rd week of June-2021. At Hazira Port, sugar exporters are carrying high inventory levels. It is required that this inventory is liquidated from port warehouses before onset of monsoon rains. Therefore, to support the sugar export before the onset of monsoon rains, Port has decided to give priority to sugar export vessel*. Now onward sugar vessel and other cargo vessel will be berthed alternately at MPO1 berth till June-21 end.

It is requested to all shipping lines and agencies to make a declaration of the subject cargo while declaring the vessel.

The above will become applicable with immediate effect and will be valid till 30th-June-2021 from effective date.
