5. The Resulting Company 2, with clear identity of being in the Corporate Services Business, will enable to drive overall strategy, manage bidding for new and performance of existing businesses.
6. Ability to leverage financial and operational resources in each business will lead to possibilities of joint ventures and associations with other industry participants, both in India and globally, and will facilitate attracting greater talent pool.
7. Each business will be able to address independent business opportunities with efficient capital allocation and attract different set of investors, strategic partners, lenders and other stakeholders, thus leading to enhanced value creation, which is in the best interest of the Demerged Company and Resulting Companies and their respective stakeholders.

2. **Applicant Company No. 1:**

2.1. Applicant Company No. 1 was incorporated on 6 November 1947 under the name of 'United Liner Agencies of India Private Limited' under the provisions of the Indian Companies Act, 1913. Thereafter, the name of Applicant Company No. 1 has undergone

changes and conversions from first, a private company to a public company, and thereafter from a public company to a private company. With effect from 15 September 2021, the name of Applicant Company No. 1 was changed to J M Baxi Ports & Logistics Private Limited.

7. **Rationale of the Scheme:**

The rationale and benefits of the proposed Scheme are as under:

“The Demerged Company is inter alia engaged in Container Business, Non-Container Business and Corporate Services Business. The management believes that the risk and reward associated with each of the aforesaid businesses are different with different stakeholders. As part of restructuring of its businesses and with a view to achieve strategic independence of its business verticals (unlocking the potential of each of the businesses) and to leverage the expertise of its strategic investor, the management of the Demerged Company proposes to (i) demerge the Demerged Undertaking 1, on a going concern basis, into J M Baxi Container; and (ii) demerge the Demerged Undertaking 2, on a going concern basis, into J M Baxi Dev Co. Further, the Demerged Company shall continue to be engaged in the Non-Container Business. The management believes that the proposed segregation of business

shall benefit all stakeholders of the Companies and also result in the following benefits:

- 1. The Demerged Undertakings have achieved scale and experience to sustain business based on their own strengths. Additionally, these businesses deal with different sets of industry dynamics in the form of nature of risks, competition, challenges, opportunities and business methods. Hence, segregation of the Identified Container Business and Corporate Services Business would enable focused management and enable exploring the potential business opportunities more effectively and efficiently.*
- 2. The Demerger will enable both Demerged Company and the Resulting Companies to enhance business operations by streamlining operations, cutting costs, more efficient management control and outlining independent growth strategies.*
- 3. The Demerger will allow the management to devise, implement and pursue independent business strategies for the Identified Container Business, Non-Container Business and Corporate Services Business which will enable wider scope for independent collaboration, investment opportunities and expansion.*
- 4. The Resulting Company 1, with clear identity of being an Identified Container Business will enable right customer attention resulting in deeper market penetration.*
- 5. The Resulting Company 2, with clear identity of being in the Corporate Services Business, will enable to drive overall strategy, manage bidding for new and performance of existing businesses.*
- 6. Ability to leverage financial and operational resources in each business will lead to possibilities of joint ventures and associations with other industry participants, both in India and globally, and will facilitate attracting greater talent pool.*

7. *Each business will be able to address independent business opportunities with efficient capital allocation and attract different set of investors, strategic partners, lenders and other stakeholders, thus leading to enhanced value creation, which is in the best interest of the Demerged Company and Resulting Companies and their respective stakeholders.*
8. The Board of Directors of the Applicant Companies in their respective meetings dated 29.02.2024, have approved the Scheme. Further on 17.06.2024, the Board of Directors of the Applicant Companies approved amendments to the Scheme.
9. The term '**Appointed Date**' is defined under Clause 1.2 of the Scheme as follows:
- “1.2 “Appointed Date” means the Effective Date, or such other date as may be approved by the National Company Law Tribunal or such other competent authority / Appropriate Authority.”*
10. The term '**Effective Date**' is defined under Clause 1.14 of the Scheme as follows:
- “1.14 Effective Date” in relation to the Scheme, means the date or last of the dates on which (i) certified copies of the order of the NCLT sanctioning the Scheme are filed by the Demerged Company and the Resulting Companies with the Registrar of Companies, Mumbai or (ii) the last of the approvals specified under Clause 31.1 is obtained. References in this Scheme to the date of “coming into effect of this Scheme” or “upon the Scheme becoming effective” or “effectiveness of this Scheme” or “Scheme becomes effective” shall mean the Effective Date.”*

No. 7/12/2019/CL-1), as issued by the Ministry of Corporate Affairs, Government of India (**MCA Circular**). Ld. Senior Counsel further submitted that the MCA Circular provides that the 'appointed date' in a scheme can be tied to the occurrence of an event
