

Date : 26.12.2020

To,
All the Port Users & Customers,

Sub : Cessation of Force Majeure Condition – Reg.

Dear Sir,

With reference to the cited subject, we wish to inform you that, the Force Majeure condition was declared at Krishnapatnam port with effect from 25th Nov'2020 vide our Notice dated 8th Dec'2020 due to the cyclonic Storms "NIVAR" and "BUREVI" in which the maximum permissible draft of the vessels was reduced to 16.0m at DW density 1015. Now, it is to bring to your attention that, Krishnapatnam Port has fully lifted its declaration of Force majeure with respect to the maximum draft of the vessel. Now, vessels drawing maximum draft up to 17.70 m at DW density 1015 is acceptable at Krishnapatnam Port with effect from 26th Dec'2020 2000LT.

Although the impact of the said Force Majeure Event continues and we are contemplating the extent of its impact, we endeavor to normalize the port services.

Thanking you for all the supports extended during the Force majeure conditions and assuring the best of our Services.

Yours Sincerely,

For Krishnapatnam Port Company Limited.
